

BONUS Program National Marketing Info

Thank you for wanting to join our exclusive **FIREARM FUNDAMENTALS *BONUS*** marketing program. This is your opportunity to reach prospective buyers throughout our country and present your distinctive products and services.

We offer two valuable types of marketing options:

- Listings for **vendors** to promote products or
- Listings for **Instructors** to add new students.

Be promoted on two strong venues: In our acclaimed **book** and our well traveled **Web** site!

Whether you're a current or first time *BONUS* marketing participant, this profit-building program is for you!

How Do I Participate?

It takes just a few minutes of your time to get started:

1. Decide whether you want to participate as a Vendor or an Instructor (or both);
2. Offer a modest, appealing incentive to promote your product or services;
3. Provide contact information so buyers can get ahold of you;
4. If you're a vendor, also provide your logo and product graphics;
5. Get a handful of our books so you can start earning money *immediately!*

How much Does It Cost?

We'll offer you \$75 — Just to participate!

The best way to get your promotional offer in the hands of buyers that matter is to work as a team to expand our book's and web site's recognition. This is where you can help yourself, and fellow ***BONUS*** participants can help you, by sharing the book with shooters & instructors!

When was the last time you were offered money for placing an ad?

In order to participate in this exceptional marketing opportunity, all we ask is for you to get seven of our premier reference and training books, at **half price!**

Selling the first six books will ***earn you \$150 — Giving you a \$75 Profit!***

Keep the seventh book as your own personal reference!

Did We Mention? —We'll even put together both your book and web ads for ***FREE!***

About Our Book

The *Must Read* – *Must Have* Book for Every New & Seasoned Shooter!

This is your single, essential, “*go-to*” book with a special emphasis on safety. It includes descriptions of firearms, concealed carry, defensive tactics with training courses, in depth coverage of ammunition, sights, optics, rifles, shotguns, hunting and so much more, in addition to specific Concealed Carry Laws of selected States!

This book covers practically every question a newer shooter would have on firearms and shooting, as well as answering many of the questions seasoned shooters may have as well!

Earn up to \$12.50 (50%) per book!

At an MSRP \$24.99, you'll make **\$12.50** on the sale of every book! If you're an instructor with an average of just ten students a week, this means you can earn as much as **\$500 a month, \$6,000 a year!**

The Book Used by Instructors Throughout the U.S.

More and more Instructors and shooters are using our acclaimed reference and training book to add more to their bottom line.
